The Philadelphia Lacrosse Association is the local chapter of [US Lacrosse](http://www.uslacrosse.com) -- a 501(c)(3) based in Baltimore that serves as the national governing body for the sport. The PLA supports and promotes the game of lacrosse at all levels in its chapter area, which includes Greater Philadelphia, Eastern Pennsylvania and portions of Northern Pennsylvania.

The PLA's role is to encourage, foster and sponsor these developments and to serve as a resource to help the game take root and grow. Help us grow the sport! Support us on April 17th!
